ELECTION

Assistant Commissioner of Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Election Requirement issued in the above-identified patent application on January 11, 2008, the applicant elects the specie illustrated at Figures 3a-3d. The claims readable on these figures are believed to be Claim 1-12 and 16-20. This election is made with traverse, because the method steps recited in the non-elected Claims 13-15 which are illustrated in FIGs. 4a-4c are controlled by the photographer. The Examiner's basis for determining the patentably distinct species for Claims 1-20 is therefore in error.

Respectfully submitted,

Morland C. Fischer
Attorney for the applicant
